

## PE Lesson Plan

### Purpose of Lesson:

1. to instruct a third grade lesson on alphabetical order.

### Student Objectives:

1. Students will be able to alphabetize a group or set

### State Standards:

- **10.4.6 A** - engage in moderate to vigorous physical activities that contribute to physical fitness and health.
- **1.7.5 A** - Identify words from other languages that are commonly used English words.

### Materials Needed:

- different color balls / blocks (enough to allow each student to have one – and enough color variety to have an equal number or close). Index cards with various book titles and authors listed on them.

### Anticipatory Set:

Introduction to organization – ask if the students know how books are arranged in a library. Introduction to DDS.

### Procedures:

1. Assign each student an index card with a book title and author.
2. Allow students to walk around the room to find a colored ball or block
3. Group students by color
4. Have students alphabetize their index cards by book title
5. Check student's work
6. Have students alphabetize their index cards by book author
7. Combine groups and form a line of students
8. Have the combined line alphabetize (as if the students themselves were the books) by book title
9. Re-arrange the lines to alphabetize by author.

### Closure:

The teacher will explain how alphabetizing things can help in organization and help people find things quickly and easily.

### Reinforcement Activity:

Student's assignment will be to find 10 similar items at home (CD's, Movies, Books, etc.) and alphabetize them.

### Student Evaluations:

Students will be evaluated based on the teamwork displayed to get into order – also whether or not they are correct in order.

### Lesson Evaluation:

The lesson will be evaluated by the level of enthusiasm the students show and the ease in which they get themselves in order.

**Adaptations:**

For students with high abilities:

For students with low abilities:

Students may be assigned a group if for some reason they can't walk around the room (crutches, wheelchair)

**Contingency Plans for technology glitches:**

none required
